

Boy Scouts and Cubs To Hold Ice Stampede

The annual Ice Stampede, sponsored by the Mountain View Boy Scouts and Cubs, will be held in the Didsbury Memorial Arena on Saturday, February 21st, starting at 8:00 p.m. This will be a fine time to cheer and support the boys in exciting chuckwagon races and other events.

The Calgary Highlanders Pipe Band will be in attendance.

Special entertainment will include Guides and Brownies.

Come and see Mayor Ted Miller of Olds pushing Mayor H. Lynch-Staunton of Didsbury around the ice in a wheelbarrow — this event has to do with a challenge as to which centre would gain the most blood donors at the last clinic — obviously Didsbury and district were the winners this time around.

Get your tickets from any Boy Scout or at the arena door. Adults, 50c; children, 35c.

ZELLA NEWS NOTES

Mr. and Mrs. Ira Scott sponsored a community club military whist party on Wednesday evening at which thirteen tables were played. Prize winners were Kathleen Egina, Elinor McConnell, Emilie Krebs and Brooks Brinson. Mrs. Leslie Evans won the door prize. Mr. and Mrs. Harold Braun will host a military whist party this Wednesday, February 18th at the Community Centre.

Nine ladies from the Zella W.I. met at the community centre on Wednesday and two Red Cross quilts were stitched. The ladies also enjoyed a pot luck dinner.

The annual congregational meeting of the Zella United Church was held at the home of Mr. and Mrs. H. Christensen on Sunday evening. Mr. and Mrs. Bill Johnson and Donnie of Markerville were Saturday visitors at the E. Walcott home.

Mr. and Mrs. Harold Braun, Mr. and Mrs. A. Walcott, E. Walcott and Henry Luft were among those participating in the recent F.U.A. Bonspiel held in Didsbury on Monday and Tuesday last week.

An accident Sunday morning claimed the life of an old employee on the Regent No. 6 rig, located on the Lucas farm 2 miles south of Hammatan. The employee, Oids was instantly killed when he fell from the top rigging of the derrick. He is survived by his wife and one child.

BOARD OF TRADE TO MEET MONDAY

The Didsbury and District Board of Trade will meet in the Lions hall on Monday, Feb. 23rd at 8:30 p.m. Main order of business will be election of officers. Other important business will come under discussion.

Annual Meeting Of Red Cross

The annual meeting of the Didsbury and District branch of the Red Cross was held in the school auditorium on February 9th. Mrs. Cogswell reported for the Women's Work Committee and stated that approximately 185 articles had been completed and sent to headquarters. This included 10 quilts. The work of the various organizations and in individual members is very deeply appreciated.

It was also reported that three large boxes of new and used clothing had been donated and forwarded to Calgary.

A vote of thanks was extended to Mr. Currie for publicly giving Red Cross work and to Didsbury Carriage for its free delivery of Red Cross supplies.

Some 309 bottles of blood were collected in the two blood donor clinics held last year, with approximately 187 bottles used locally. The ladies have co-operated splendidly in serving lunch and doing other jobs at these clinics.

The Red Cross decided, with regret, to withdraw from the Didsbury and District United Appeal.

The officers for 1959 remain the same, with E. Cogswell as president; C. Lesson, K. Burns and J. H. Robertson, vice-presidents; Mrs. J. Reinhardt, secretary-treasurer.

Mr. and Mrs. Cogswell will attend the annual convention in Medicine Hat, February 26th and 27th.

Mrs. J. McCoy Dies In Hospital

Mrs. Lottie Twiss McCoy, age 47, of Carstairs, died Tuesday in the General Hospital, Calgary.

Born in Didsbury, she had been a resident of Carstairs for the past 28 years. She was a member of the Y.O.E.

Her husband James predeceased her earlier this year. She is survived by two daughters, Karen, of Calgary, and Mrs. Neil M. Quinn, of Edmonton; one son, Donald, of Carstairs; and three sisters, Mrs. Wilfred (Irene) Rennie, and Mrs. Dale (Ruby) Kimmel, both of Didsbury and Mrs. Holly Peterson of Calgary.

Services will be held at the Carstairs United Church, Thursday at 2:00 p.m. with Rev. A. W. Macrae, and Rev. Vernon Wharfitt officiating, and the interment will be held in the Carstairs Cemetery.

WEST NOTES

(From Our Own Correspondent)

Mrs. H. Erickson and her helpers, Mrs. Les Evans, Mrs. D. Gillies and Mrs. Pat Gillies, brought home the second prize in the first event from the ladies' bonspiel held in Cremona. Mrs. Arnold Hogg, who curled with Mrs. G. Bennett of Cremona, won first in the third event.

Several of the male curlers of the district took part in the Sundre bonspiel but were not successful in winning any prizes.

Mr. and Mrs. J. Betts of Cremona visited with Mr. and Mrs. Arnold Hogg on Sunday.

The Rugby W.I. held a military whist drive at the home of Mr. and Mrs. H. Krebs Monday evening with six tables in play. Winners were

Rule "13" Can Be Stretched

LETTER TO THE EDITOR

The Editor,

Didsbury Pioneer.

Dear Sir:

I would appreciate your time and space to publish this letter to all concerned along with your column of rules by which the game of hockey should be played.

Rule No. 13 states a team shall be composed of 14 players, etc. This is of course, the composition of the actual playing part of the team. Then in addition there are people like the Irwin family, Doug, Ben, and Mr. McGarrah, who believe was the organizing promoter of this present team into the previous "211 League". Anne and Walt have taken care of the club's equipment so well that after six years' use, our equipment is in better condition than most after one year's use. There are the club executive officers: Mr. Morris, president and Mr. Rodway, secretary-treasurer, who give time and effort to league affairs, phone calls, letters to write and various other routine matters. There are club executive members Mr. Alden and Mr. Lesson, custodians of the gate.

There is no glory in selling and taking tickets, just satisfaction of a job well done. Mr. L. Dickau is our transportation man. It requires three or four cars for each road game. There are the people who supply the cars, and some nights I know many would rather stay home. Mr. McGarrah, one of the first organizers of the club, who spent so much of his time on the schedule program. There is the time keeper, Mr. K. Dickau and statistician Mr. Brann. Very necessary and responsible duties.

Then Mr. Henry Erb who ably supplies the appropriate music. The same requires goal judges and referees, the chief recipients of our abuse and criticism; not much glory here. There are our fund-raiser, Mr. B. Befus and our doctors who willingly give time and service. There are the ladies who run the canteen. Praise for everybody. More like acts and paid after long cold hours. The arena board and caretaker and those who build the arena.

The fact that not least are our loyal fans who support us, win or lose, home and away, financially and otherwise. No other team in the league enjoys better fan support.

That Mr. Editor is my interpretation of rule No. 13, what our team, the Ramblers is composed of. These are the people who deserve the plaudits and praise so often mis-directed to us who are only instruments of the game.

The Didsbury Ramblers are still champions of the Chinook Hockey League and are again on the play-off trail, and the players, Lloyd and I, will once again do our best to retain this honor.

Thanks Mr. Editor for your time and space.

Wm. Cowan (Coach)

DIDSBURY W.I. HOLDS REGULAR MEETING

The February meeting of Didsbury W.I. was held at the home of Mrs. J. McDonald, with 11 members present. Roll call was a Valentine for a secret pal. The "bit of fun" was given by Mrs. Long and Mrs. Hogg.

The five-minute talk by Mrs. Hunter. The prize was won by Mrs. Teachob.

The next meeting will be held at the home of Mrs. Whittaker on March 5th.

MELVIN NOTES

(From Our Own Correspondent)

Dr. and Mrs. Clara Youngs and club of Suburban spent several days in Edmonton last week, where Clara was lecturing in the Jubilee Auditorium. Mrs. George Youngs, Bob and Rose Youngs, were weekend visitors in Edmonton, to visit with relatives and to see Clara and family during the latter's stay in the city.

David Dupont has his leg in a cast as the result of an injury while playing hockey. On Friday his mother had the misfortune to slip on some ice and break her ankle.

Mrs. L. Wollen of Pt. St. John is spending some time visiting at the homes of her daughters, Mrs. Elsie Krebs and Mrs. Bessie Herbert.

The Melvin W.I. are planning a whist drive for February 24th at the home of Mr. and Mrs. Clare Fischer. Everybody welcome.

During the past week Didsbury Ramblers came out as winners in the three games they took part in.

Last Thursday night they visited Trochu and came home with a 7-5 victory to keep them well above Innisfail in the race for second place in the league.

Saturday night a benefit game was held in the local arena, when the Ramblers handed the Oids sextet their first defeat of the season, before a record crowd.

The visiting club gained a few club to replace equipment that was lost in a fire at the Oids arena last week; the local club gained the distinction of handling the Bee's first defeat in 20 starts this season. Sounds like everybody won.

At a league meeting Tuesday night in Carstairs, the following fines were issued:

Bowness was fined \$25. for default to Oids on Monday night.

Innisfail was fined \$25. for default to Oids on Saturday; \$10. of this was returned to Innisfail because of Trochu's failure to show up at Innisfail, due to mix-up in league schedule. The same will be played at a later date.

All teams have until Saturday, February 28th to finish league play.

Local Old-Timers Celebrate 50th Wedding Anniversary

Mr. and Mrs. E. N. Boettger were "at home" to their many friends

February 10th, on the occasion of their 50th wedding anniversary.

Three guests that were present at their wedding 50 years ago, visited with them at this time. They were: Mrs. Boettger's two sisters, Mrs. W. H. Houston of Castlegar, B.C. and Mrs. T. Drew of Vernon, B.C., and a brother, Mr. Milton Boettger of Bowness.

The tea table was centred with a three-tiered wedding cake, nestled in tulle, with tall golden candles and flowers at the base.

During the afternoon Mrs. E. Cogswell, Mrs. W. J. Scheidt, Mrs. W. H. Houston and Mrs. T. Drew, were in charge of the tea table. A delicious lunch was served by a sister of Mr. Boettger's, Mrs. E. Plim, and three nieces, Mrs. C. Herron, Mrs. A. Krueger and Mrs. W. Horne, under the direction of Mrs. Syd Fox, Mrs. J. R. Cunningham was in charge of the guest book.

Mr. and Mrs. Boettger were married at Golden, B.C., on February 10th, 1909, coming to live in Didsbury in 1918. They moved to Vancouver in 1937 and returned here in 1947.

They were blessed with three

sons, Gordon, who is at home with them; Arnold died when he was nine years old, and Gerald passed away in 1944. They have a grandson, Ralph, of Cremona.

In the evening 13 friends were present at a reception in the E.V. Church. Following a program of appropriate recitations, music and songs by the quartette and choir, everyone sat down to a bountiful wedding supper.

The wedding table was beautifully arranged with the wedding cake, golden candles and flowers. A bit of fun was caused when the groom had difficulty in cutting the cake.

Rev. Stickle was master of ceremonies for the supper as well as the program. Telegrams were read and Mr. E. Cogswell proposed the toast to the happy couple.

Among those present were Rev. and Mrs. A. Traub and Mr. and Mrs. E. S. Brower, who have celebrated their 50th anniversaries, and Mrs. L. J. Wriglesworth, who with her husband, celebrated theirs two years ago.

Many lovely gifts were received by the bride and groom and they were showered by the good wishes of everyone.

They were blessed with three

Another Wasted Evening . . .

The annual meeting of the Town of Didsbury followed the same pattern as it has done for many years past. The mayor and all councillors were present — with four ratepayers facing them. We suggest that a bingo game or some such entertainment, should be presented at this time if the meeting is to become a farce, year after year. Ratepayers play games on the street corner, in the pub, and living room, with town policies, but do not appear at the annual meeting to air their grievances, or praise. A sad situation, no less!

Northern Suburb Suffer Again . . .

The Town of Olds and its sports-minded followers suffered another nasty reverse last week when the artificial plant, which services the skating and curling rinks, was destroyed by fire. Our northern friends will have to depend on a natural ice surface for some time. Earlier in the season the arena had been condemned by provincial authorities. Seems like tough luck comes in bundles — often in the same place.

Still Strong . . .

The Social Credit government again proved its strength in the recent Olds by-election. It of course did not cover the opinion of voters in other parts of the province — however, it did prove that the constituency were not in favor of a change. Maybe the Conservatives were smart to stay out of the 'race' — we imagine the Liberals wish now that they had followed the same diversified trail.

Famous Quote . . .

"I had rather do and not promise, than promise and not do."

MELVIN INSTITUTE TO DONATE FOOT STOOL

Melvin W.I. held its February meeting at the home of Mrs. C. Fischer, with 12 members and one visitor present. Roll call was answered with a Valentine verse.

The W.I. will hold a military whist drive at the home of the Claire Fischer's on Tuesday, February 24th.

Sewing was turned in for Unitarian Services. Red Cross sewing was distributed among the members.

It was decided to donate a foot stool to the Didsbury hospital.

The topic by Mrs. Ray Shantz was on citizenship next meeting will be held at the home of Mrs. Lloyd Fischer, when the contest will be a jar of relish.

Farmers To Visit Ottawa

The date of March 10th has been set for the meeting of western people with Government of Canada. Special trains carrying this delegation will be leaving Alberta, Friday evening, March 6th. This will mean that any delegates wishing to participate must speed up their efforts. Alberta people should have no hesitancy in supporting the delegation. It is intended to support the Western members of the government in presenting the case for the Western grain grower.

Public opinion in no small measure determines government policy. The low net income to the prairie grain grower has seriously effected the Western economy. It can only be corrected by increasing the price to the producer.

Since this crisis has been developing for some time, it has now reached the stage where action is necessary. The delegation is the only effective way to our disposal to bring the situation to the attention of the people of Canada.

HOW POOR ARE THE FARMERS ? ? ?

Is Canadian agriculture really in the deplorable state we are being led to believe? Is it true that farm operating costs have risen higher than the prices of farm products; and that many farmers, caught in this cost-price squeeze, are finding it hard to make ends meet?

Technological progress in agriculture during recent years is said to be such that modern and progressive farmers should be able to prosper in spite of the present costs and present prices. If this be true, why the need for price supports or deficiency payments?

However, it is noted, that progress hasn't been uniform throughout the industry or over the whole country. There are many farms and entire regions where it is not yet practicable, and where farmers still have to operate under less modern conditions. These are the farmers who feel the pinch of the cost-price squeeze, and whose living standards are most likely to suffer from it.

And then the question arises: Are these farmers who are unable or unwilling to modernize their methods entitled to better living standards than their operations produce; and if so, what is the best way to help them?

Modern ways have proved that it is imperative to the well-being of every nation that a substantial portion of its food be produced within its own borders. This being the case, governments are justified in using the taxpayers' money to support food production to the extent that the necessary home production can be profitably carried on.

It is not the duty of government to equalize the living standards of the people, and if our efficient farm-

OTTAWA REPORT

By E. M. Williams, M.P.

There have been many questions asked by the farmers of the Bow River Constituency as to what might happen to the Crowns-Nest Pass Rate which is a special freight rate written into the Railway Act as far back as 1897. On January 19th the Prime Minister clarified the situation and I quote:

"There is one thing I want to make clear at this time so that there will be no misunderstanding in this regard as to the action we are taking. As far as the Crowns-Nest Pass Rates are concerned, from the time that I was a boy in Western Canada in 1903 and all through the years, those rates have been regarded as the Magna Carta of Western rights."

"Those rights shall not be interfered with to the detriment in any way of Western Agriculture or Western people in general."

The Speech From The Throne contained the following words:

"My Ministers will recommend to you action to alleviate the discriminatory effects of the recent horizontal increase in freight rates."

It would seem that both these statements clarify the future position of the farmers of Western Canada as far as freight rates are concerned.

meas need price supports why should we give it to them. On the other hand if we give such supports to the less efficient we will have to give it to all, and the efficient ones will make undue profits by it.

This being the case, we conclude that the best way to help the farmers who need help, is to reduce the burden that excessive government spending and excessive wage rates are putting on them.

THE
Homemakers

By HELEN HOWARD
District Home Economist

DEAR HOMEMAKERS,

February days are longer days
but even so there are lots of winter
days ahead. This month is an ideal
time to do some redecorating and
repainting it will give your spirit, as
well as your home, a lift.

To Estimate Paint Needs
Figure the area to be covered in
square feet.
Divide by 600 if painting over
smooth plaster.

Divide by 500 if painting over
sand plaster.

Answer is the number of gallons
needed.

For Trim:—
Estimate one quart of paint for
every 5 openings in the room. This
will give enough for one coat.

Painting Tips:—
(a) Strain Out Lumps — You must
strain these out, otherwise they
will plague you throughout the
entire paint job. One of the best
strainers is a nylon stocking.

(b) Spatter Control — If the rim
of your can is filled with paint,
control the inevitable spatter with
a cloth placed over the lid before
you begin to hammer.

(c) Glue a paper plate to the
bottom of your paint can, so that
you can move from place to place
without watching for drips.

(d) Lump Remover — Try mixing
up old paint lumps and all. Cut a
piece of window screening the size
of the can. Drop in the screen,
and it will sing to the bottom —
paint lumps and all.

(e) Avoid resting a brush on the
bottom of the can. Hammer a tack
into the heel of the brush, and
hang it on the paint can.

(f) No Scum — Cover left-over
paint with a film of turpentine.
Stir this in as thinner on the next
use. One other way: Store your
paint cans upside down.

(g) Paint Guard — Use an old
venetian blind slat. A metal one
works especially well.

Watch Out For:—
1. Light colored backgrounds for
your room setting — use of pastel
greens, blues, and grays, and off
white tones.

2. White, or white plus a bit of
the wall color, for ceilings.

3. Bold shapes, patterns and colors
in small accessories — example,
pottery and cushions.

4. Bottle shapes in lamps.

5. Coming — bold stripes and geo-
metric patterns in scatter rugs.

6. On the way in — an emphasis
on texture for your drapes, rather
than pattern, but tone on tone
patterns are still a good bet.

7. On the way out — gold and
silver metallic threads in drapes
and upholstery, and gold flecked
counter tops and flooring.

8. On the way out — stippled
ceilings with plain border
bands.

CHRISTIAN SCIENCE

Man's God-given dominion over
the bondage of materialism will be
emphasized at Christian Science
services Sunday.

The Lesson-Sermon to be read,
entitled "Mind," contains the ac-
count of Christ Jesus' healing of
the man "whose right hand was
withered." (Luke 6.)

Selections from "Science and
Health with Key to the Scriptures"
by Mary Baker Eddy will include
the following (307:25): "The di-
vine Mind is the Soul or man, and
gives man dominion over all things.
Man was not created from a material
base, nor bidden to obey material
laws which spirit never made; his
province is in spiritual statutes,
in the higher law of Mind."

The Golden Text is from Ro-
mans (11:34,35): "Who hath
known the mind of the Lord? or
who hath been his counsellor?"

For of him, and through him,
and to him, are all things: to whom
be glory for ever."

Lone Pine W.L.
Plan March Dance

Lone Pine W.L. held its February
meeting at the home of Mrs. K.
Wood, with 11 members and two
visitors present. Ladies from Al-
lingham, Bancroft and Mountain
View attended the cancer films at
Midway school on February 6th.

A dance is being planned for
March 13th at Lone Pine hall with
Fisher's orchestra to supply the
music.

Mrs. O. Milne reported \$9.21 as
proceeds from the card party held
at her home. Mrs. K. Woods offered
to have one at her home on
February 17th.

Home economics articles were
discussed and fancy cookies are to
be brought to the next meeting
for judging.

Next meeting will be held on
Tuesday, March 10, at the home of
Miss Merle Siebert.

Notes From D.A.

By HOWARD FULCHER
District Agriculturist

Many farms have complete water
systems, some have partial pressure
systems, some only have a pump
on a well. Running water in a
farmstead is a great labor-saving
installation; this is especially so to
the homemaker when water on the
tap is available in the house.

When installing a water system
and disposal system many problems
arise; for this reason a plumbing
school will be held in Sundre on
February 25th and 26th. The
school will be of a two-day dura-
tion commencing at 10 a.m. in the
morning and concluding at 4:30
p.m. each day. It will be held in
the Elks Hall. Everyone is wel-
come to come for both days or for
either day.

On the first day subjects covered
will include source of water, pres-
sure systems and storage of water.
Also on the first day sewage dis-
posal will be discussed — this will
include the field layouts, septic
tank, building and installation and
other items dealing with the dis-
posal of sewage on the farm. On
the second day, the topics will deal
with plumbing of the house, sink
waste and the piping of water sup-
ply. There will be ample time
allowed for questions and discus-
sion that may come up. Information
will be given on the costs of var-
ious systems.

Whether you have a complete
water system, a partial system, or
less, you will find this school very
interesting and worth-while. Per-
sonnel from the Agriculture Ex-
tension Service, Department of Ag-
riculture will be present to address
the meeting and answer questions
which arise.

On February the 27th a Bull Sale
will be held at the Olds Auction
Mart, Olds. This sale has been
authorized and approved sale un-
der the Provincial Livestock Branch
and therefore comes under the De-
partment's Livestock Improvement
Policy "B". This policy, when ap-
plied to a sale, is for the improve-
ment of the quality of cattle. Any
bonafide farmer residing in Alberta
may receive assistance of 10% with
a maximum of \$50 on the purchase
of a bull at the sale. Livestock
Branch officials from the govern-
ment will be present and appli-
cations for assistance can be made
at the sale.

NEW SWIFT'S SKY-HI 310

Average rate of lay ...

86%!

Swift's new Sky-Hi 316 was developed especially for the
poultry raiser who depends upon his laying flock for
income. It combines high production with good feed
conversion for real "assembly-line" efficiency. And, unlike
many high producers, Swift's new Sky-Hi 316 maintains an
extremely high rate of lay without sacrificing egg size.

Here is a completely new strain-cross Laghorn that excels
in all characteristics of economic importance. In extensive
tests of this and other strain-crosses, the Sky-Hi 316
proved superior. It had the highest egg production, earliest
maturity, and greatest livability of all layers tested. During
an 11-month period, the Sky-Hi 316 achieved a production
of 281 eggs ... an average rate of lay of 86%! And the
egg weight kept consistently high.

Order this top money-maker for your flock ... the Sky-Hi
316 is ideal for either floor or cage. Sky-Hi is a trademark

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

The Youth Convention was a wonderful success again this year. 88 young people were cared for at the college as guests of the students. Besides these there were many who came from local areas for the meeting during the day and evening. The banquet on Saturday evening held in the Student Centre served over 200 persons. Mr. Ormand Sherick, director of the Youth Fellowship in the conference was in charge. A delightful program was arranged with Mr. Ray Stauffer as song leader. During the banquet Mrs. LeVerne Neufeld (Janice Shannon), interviewed the members from the various local Fellowships concerning their programs and organization. The re-organization of the Youth Fellowship was held on Saturday afternoon when Ray Stauffer was again elected as vice-president and Mrs. Neufeld as reporter to the Western Evangelist.

Mrs. Walter Reimer, Mrs. Ira Stauffer and Mrs. Lloyd Stauffer assisted Mrs. Arthur Eby during the youth convention. We might also state that the Associated Student Body of the college planned and organized the work in preparation and in cleaning up afterwards, so that every part of the week-end was quickly and easily done from the standpoint of organized effort. It was hard work, but each young person co-operated in the best possible manner.

Rev. Bowman left for Ohio Monday morning. He was a great inspiration and blessing to the young people as he challenged them with the possibility of surrender to the will of God in their individual lives.

The Radio Board met in the college on Tuesday evening to discuss possibilities of advancing the work of broadcasting among interested friends.

The Board of Directors met February 11th in the college for their annual meeting. Business was done on scheduled time. Rev. W. D. Annet was re-elected as chairman of the board for the coming year. The administration committee of the college was re-appointed also in the persons of Rev. D. M. Taylor, president, Mr. Peter Waldin, vice-president, and Miss Gladys Eby as secretary-treasurer. This committee also teaches, so that the faculty is made up of the committee and teaching members composed of Mrs. Lydia Sader, Mrs. Taylor and those who shall be secured during the summer months. Teachers must be secured for the music department also, and you will be informed when this is done. Mr. Arthur Eby was re-elected as maintenance superintendent, and Mrs. Arthur Eby as cook for the following year. The board was greatly interested in the building of the home of the president and this will be done this spring.

NEW MANSE
AT CARSTAIRS

Residents of Carstairs and visitors to the community have watched the progress of the new United church manse on the corner west of the Post Office. Now the building is finished and the minister and congregation extend a welcome to all to come and see the new building.

This home for the minister will be dedicated on Sunday, Feb. 22nd, when a special service will be held in the church at 3 p.m. Following this tea will be served in the manse from 4 to 6 p.m. On the following Monday, Feb. 23rd, the official opening of the manse will take place at 8 p.m.

Westcott News

(From Our Own Correspondent)

Word has been received here of the passing of Mr. Harold Davidson of Three Hills on Saturday last. Sympathy is extended to Mrs. Davidson and family. Mrs. Davidson was a former resident of this district; the Jacobsen family are also relatives of the deceased.

Mrs. B. Reinhart was a Calgary visitor last Friday, and Mrs. A. Vipond was a visitor in the city on Saturday.

Mr. and Mrs. Wilbert Papke, Larry and Marjorie, of Big Prairie, and Mr. Bruce Nichol of Sundre, were supper guests at the home of Mr. and Mrs. Herbert Goetjen on Sunday.

CREMONA NEWS

(From Our Own Correspondent)

The ladies' bonspiel was played in Cremona last week, with the results as follows; winners are listed in the order in which they finished in each event:

First Event —
Elych of Westbrook; Erickson of Elkton; Bellamy of Cremona; Francis of Carstairs.

Second Event —
Milligan of Carstairs; Symile of Madden; Luft of Elkton; Gatherville of Birtle.

Third Event —
Bennett of Cremona; Olsen of Carstairs; Spence of Cremona; Judd of Madden.

The consolation prize went to the high school rink skipped by Heather Thomson.

The bi-monthly meeting of the Sewing Circle was held at the home of Mrs. L. Knox on Feb. 11th.

The Lee Sanderman's have been holidaying in the U.S.A. for the past month.

A shower was held in the Graham school on Saturday evening, for Miss Marjorie Papke, bride-elect of this month. It was sponsored by the Graham Community Club.

Little Harvey Reid, son of Mr. and Mrs. A. Reid, spent a couple of days in Calgary last week for a corrective operation on his eye muscles. He is coming along very nicely.

SWEET CLOVER WEEVIL: This week I will discuss the control of this pest. The adult weevils are dark-grey about beetles about 3/16 of an inch long. They pass the winter under trash, in and about fields of sweet clover. They become active on the first warm day of spring, usually in mid-April.

Cultural control helps to minimize weevil damage. Seeding crops should be planted as far as possible from last year's crop, so that seedling crops may have a better chance to become established and may not be ruined in late summer by a horde of ravenous beetles moving over from last year's stand of clover.

After the hay crop has been removed, till the ground immediately. Shallow tillage in late July or August, when the weevils are pupating, may reduce their population as much as 85%.

There are several insecticides available, namely Heptachlor, Dieldrin and Aldrin. Last year 156 gallons of Aldrin went out of this office, purchased by farmers who were anxious to save their sweet clover crop.

We found last year that we had to apply one pint of Aldrin per acre in eight gallons of water to achieve satisfactory control. The reason for the extra water per acre is due to the fact that there is usually considerable trash on the ground under which the weevils try to hide. It is necessary to wet this trash in order to accomplish satisfactory results.

Aldrin is both a contact poison and a stomach poison. If the spray strikes the weevil it will kill; also if they eat foliage that has been treated. Should you be interested in securing more details I will be pleased to inform you.

Little Items of Local Interest

Mr. C. L. Clippert returned home Sunday from Iowa, where he had spent some time visiting with relatives.

Sunday dinner guests at the home of Mr. and Mrs. Fred Burwell were Mr. and Mrs. David Downie of Calgary, Mr. and Mrs. Phil McNeil, Mr. and Mrs. Robert McNeil, Gary and Fred. The occasion was the double birthday of Grandpa Burwell and grandson, Fred McNeil.

The members of Mons Chapter I.O.O.E. were entertained at the home of Mrs. F. Evans following the Founder's Day church service.

Mr. J. Bateman, V. Befus, P. Nolan, D. Ward and P. Mason, of the local Royal Bank staff, attended the annual bank bonspiel in Lacombe last weekend.

Mr. Don Ward leaves today for Fort McMurray, where he has been transferred to by the Royal Bank.

Mrs. I. Cooper of Regina, Sask., visited with Mr. and Mrs. Ed Ford on Sunday.

Mrs. Ed Ford is attending a meeting of the I.O.O.E. provincial executive in Calgary today.

Dr. and Mrs. M. Taskey visited with Mr. and Mrs. S. Devine over the weekend, en route from High River to their home in Edmonton.

Misses Betty and Lynn Kossowan, of the University hospital, Edmonton, visited with their parents here at the weekend.

Mr. and Mrs. Jay Tugale left Monday for a four-day business trip to Regina.

JUNIOR W.I. HOLDS FEBRUARY MEETING

Ethel Konechuk and Joyce Hayball were hosts to the February meeting of the Westcott Junior W.I. at the school.

Roll call was answered by 11 members, with a health hint.

Wilma Rinehart chose a very interesting article, "Are You Getting Enough Sleep," as her health topic. Winnie Robertson and Wilma Left were winners in the cookie contest.
